When the Bough Breaks By Tia L Neal

I chose “When the Bough Breaks” as the title because it symbolizes what really happened in my life. I’ve had failed marriages, welcomed toxic connections, hid ministry assigned pressure & indulged in self destructive behavior. All of these bough breaking moments was needed, in order for me to submit and commit to Godly order. This daily devotional is was not written to help you make points with God. It was written to help you add to intimate communion/fellowship with God when you feel unworthy to call his name. This devotional will not be coated with sugar and spice, however, it will be different than the ones you may see in bookstores. This devotional addresses real life issues of pride, healing, betrayal, humiliation, love and forgiveness and moving forward.
