Bent, Not Broken (The Soldiers of Wrath, 2) (Volume 2) By Jenika Snow, Sam Crescent

Pain is a lasting feeling, emotion, and can consume a person without any discrimination. Amy Holland knew all too well what pain did to someone. She has been living with it for far too long, and it is all because of her father. Reese "Joker" Whitman has put his old life behind him. He is now just Joker, part of The Soldiers of Wrath, an outlaw MC that rules his town. Despite the hard edge he carries around, the violence and destruction he's been known to deliver, Joker wants Amy, the daughter of the woman his father married. Amy might be considered family, but she isn't blood, and he wants her more than he's ever wanted anyone in his life. However, he has to tread lightly, because she's been hurt, and she may never be able to give herself fully to him. When she finally sees Joker for who he is, it isn't fear or pain that consumes her; it is hope and desire. But can she give herself to the biker when she sees herself as too damaged to be loved? Reader warning: This is a work of fiction and contains explicit, adult material. Reader discretion advised.

Editorial Review

About the Author

Jenika is just your average woman. She lives in the too hot northeast with her husband and their young daughter. Thankfully, she shares her unusual sense of humour and naughty nature, so finding material for her stories isn't a problem. Along with taking care of their daughter, they have to keep an eye on Milo and Otis, their spunky cats. When not writing, Jenika works full-time and attends nursing school. Writing is Jenika's number one passion, but since life gets in the way, she isn't able to write full-time (at least not yet). Jenika started writing at a very young age when her first story consisted of a young girl who traveled to an exotic island and found a magical doll. That story has long since disappeared, but her passion for writing hasn't.

Sam Crescent has always had a love of fiction, through her teen years she would find friendship between the pages rather than in an actual person. By the time she turned sixteen she discovered Mills and Boon and never looked back. She loved the quick happily-ever-after read. A guarantee that no matter what happened the heroes and heroines would always find their soul mate. After college and starting a degree, one lonely bored night she searched the internet looking for a new author to read. On that night and for the years to come she discovered romantica and erotic writing.
