Build With Steel: A Companion to the AISC Manual By Paul W. Richards

BUILD WITH STEEL introduces beginners to load and resistance factor design (LRFD) for steel buildings. The book covers the topics encountered in undergraduate steel design courses and on national exams (FE and PE). The full color layout is rich with photos, illustrations, and examples. It carefully explains the basis and application of the tables and specifications found in the AISC Steel Construction Manual (14th edition). Royalty Free.
