Note, in 2016 California announced they would change the format of the essays for the bar exam down to 30 minutes. As such, I've reduced the price of the book to \$0.99.

This eBook is a guide on how to write a bar essay within 60 minutes breaking down each phase into steps, and identifying how much time to spend on each section. This book will help you:

- Spot the issues and identify the topics being covered within the essay
- How to outline and organize to save time during the drafting phase
- How to draft your answer effectively to be responsive to the questions
- How to edit your answer and ensure that it flows

The book uses Question 4 of the February 2014 California Bar exam as an example, and applies each of the principles outlined in each of the four phases.

Finally, I have included a special offer code for the companion checklist, priced at \$4.99, free. This checklist is a concise, 1-page guide that provides step-by-step instructions on writing a bar exam essay answer.
