

I am Jackie Robinson (Ordinary People Change the World)

By Brad Meltzer

I am Jackie Robinson (Ordinary People Change the World) By Brad Meltzer

This *New York Times* Bestselling picture book biography series by Brad Meltzer has an inspiring message: We can all be heroes.

Jackie Robinson always loved sports, especially baseball. But he lived at a time before the Civil Rights Movement, when the rules weren't fair to African Americans. Even though Jackie was a great athlete, he wasn't allowed on the best teams just because of the color of his skin. Jackie knew that sports were best when everyone, of every color, played together. He became the first black player in Major League Baseball, and his bravery changed African-American history and led the way to equality in all sports in America.

This engaging series is the perfect way to bring American history to life for young children, providing them with the right role models, supplementing Common Core learning in the classroom, and best of all, inspiring them to strive and dream.

Editorial Review

From School Library Journal

K-Gr 3—This title highlighting events from baseball star Jackie Robinson's life is a preachy, moralistic account of courage. Its sentimentality and sugary-sweetness are a throwback to motivational tales of a century ago. Meltzer is highly selective in his presentation. Facts, including names, dates, and places, are few and far between, and the theme of bravery overrides all else. Meltzer assumes readers have a basic knowledge of baseball, and many terms are not defined. Eliopoulos's cartoonish illustrations are corny and, as Jackie is always shown as a small child (a characteristic of this series), border on disrespectful. This book isn't complete or thorough enough for use as a biography, and the perky tone will likely cause eye-rolling among readers and listeners. There are many other more informative, better written books on Robinson that also emphasize the themes of courage and racial equality, such as Cathy Goldberg Fishman's *When Jackie and Hank Met* (Marshall Cavendish, 2012), a picture book that parallels the lives of Robinson and Jewish baseball star Hank Greenberg, and April Jones Prince's easy reader *Jackie Robinson: He Led the Way* (Penguin, 2007).—Ann W. Moore, Schenectady County Public Library, NY

About the Author

Brad Meltzer is the *New York Times* best-selling author of *Heroes for My Son*, *Heroes for My Daughter*, and a number of suspense novels for adults. He is also the host of the History Channel television show *Brad Meltzer's Decoded*. He lives in Florida with his wife and their three children.

Christopher Eliopoulos began his illustration career as a letterer for Marvel, and has worked on thousands of comics, including *Franklin Richards: Son of a Genius*, *Pet Avengers*, and *Cow Boy*, all of which he wrote and illustrated. He lives in New Jersey with his wife and their identical twin sons.

Users Review

From reader reviews:

Christy Brodersen:

What do you regarding book? It is not important together with you? Or just adding material if you want something to explain what you problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this specific I am Jackie Robinson (Ordinary People Change the World) to read.

Randy Johnson:

Are you kind of occupied person, only have 10 or 15 minute in your day time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short time to read it because pretty much everything time you only find e-book that need more time to be examine. I am Jackie Robinson (Ordinary People Change the World) can be your

answer as it can be read by you who have those short time problems.

Carl Moss:

This I am Jackie Robinson (Ordinary People Change the World) is brand-new way for you who has interest to look for some information since it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or you who still having tiny amount of digest in reading this I am Jackie Robinson (Ordinary People Change the World) can be the light food in your case because the information inside this book is easy to get simply by anyone. These books create itself in the form which can be reachable by anyone, yep I mean in the e-book application form. People who think that in e-book form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for a person. So , don't miss it! Just read this e-book style for your better life and also knowledge.

Joseph Southard:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this I am Jackie Robinson (Ordinary People Change the World) can make you feel more interested to read.
