### Islands in the Sky (Arthur C. Clarke Collection) By Arthur C. Clarke

Roy Malcolm has always been fascinated by space travel. And when he wins a voyage to the Inner Space Station as a game show prize, he's sure it's the trip of a lifetime. Before long, Roy is taken in by the young crew-and shares their adventures and lives.

One of Arthur C. Clarke's earliest novels, Islands in the Sky is particularly noteworthy for its description of geostationary communications satellites. While this technology was nonexistent during the writing of this book, it later became commonplace-and Clarke is credited with the first practical descriptions of such technology. This book is compelling not just as a fictional tale, but as an example of the prescient power of Clarke's vision.

### **Editorial Review**

#### About the Author

Arthur C. Clarke was considered to be the greatest science fiction writer of all time. He was an international treasure in many other ways: an article he wrote in 1945 led to the invention of satellite technology. Books by Mr. Clarke - both fiction and nonfiction - have more than one hundred million copies in print worldwide. He died in 2008 at the age of 90.

CHARLES CARROLL is an actor, writer, and musician from New England. He began teaching film at an arts-focused school where he became inspired to concentrate on acting and film production. Upon hearing the narrations of Frank Muller, Charles began his own wild journey into voiceover and audiobook work. Charles is an honors graduate of the University of Rhode Island with a degree in literature and classics.

### **Users Review**

#### **From reader reviews:**

##### **David Williams:**

The book Islands in the Sky (Arthur C. Clarke Collection) can give more knowledge and information about everything you want. Exactly why must we leave the great thing like a book Islands in the Sky (Arthur C. Clarke Collection)? Wide variety you have a different opinion about guide. But one aim which book can give many data for us. It is absolutely appropriate. Right now, try to closer together with your book.
