### Last Year's Mistake By Gina Ciocca

Is there anything that electric chemistry can't overcome? The past may be gone, but love has a way of holding on in this "thoughtful romance" (*School Library Journal*) told in alternating Before and After chapters.

The summer before freshman year, Kelsey and David became inseparable best friends—until the night a misunderstanding turned Kelsey into the school joke and everything around her crumbled, including her friendship with David. So when Kelsey's parents decide to move away, she can't wait to start over and leave the past behind. But David's not quite ready for her to leave.

Now it's senior year and Kelsey has a new group of friends, genuine popularity, and a hot boyfriend. Her life is perfect. That is, until David's family moves to town. Old feelings bubble to the surface and threaten to destroy Kelsey's second chance at happiness. The more time she spends with David, the more she realizes she never let him go. And maybe she never wants to...

### Editorial Review

From School Library Journal

Gr 8 Up—When David transfers into Kelsey's Rhode Island high school midway through senior year, it doesn't take long for everyone to realize Kelsey and the new boy have a history. In chapters alternating between past and present, readers learn about the sweet friendship Kelsey and David shared when they both lived in Connecticut, before friends, family, illness, and awkward fumbblings toward something more tore them apart. In the present, their bond (and attraction) is still strong, much to the dismay of Kelsey's jock boyfriend, who seems to be keeping a secret of his own. Both David and Kelsey have suffered significant traumas in the recent past, which the author reveals piece by piece. Most of the heavier plot points are well weighted, and much care is taken getting both characters on the same page in terms of relationship readiness. While the build up to a happy ending is strung out a little too long, the teens are allowed plenty of heart fluttering moments along the way. The parallel between what Kelsey went through at the hands of some cliquy girls at her old school and her reinvention as a popular kid at her new school is well drawn, giving depth and context to types of girls that are often drawn as stereotypes in teen fiction. VERDICT A solid, thoughtful romance with plenty of angst.—Beth McIntyre, Madison Public Library, WI

Unknown

“A fresh and raw love story about knowing when to hold on and when to let go. Ciocca's voice is true and captivating, the perfect blend of angst and hope.” (Lindsey Leavitt, author of PRINCESS FOR HIRE and GOING VINTAGE )

“*Last Year's Mistake* hooked me from the beginning and left me with a smile at the end.” (New York Times bestselling author of the Crash series )

“A solid, thoughtful romance with plenty of angst.” (School Library Journal)
