**Telepatia e Telediagnosi (Italian Edition)** By Giuseppe Calligaris

In questo prezioso Volume, vengono presentate le interessantissime scoperte del neurologo italiano Giuseppe Calligaris circa lo sviluppo e la naturale stimolazione della Telepatia, la Chiaroveggenza e la Telediagnosi, solo stimolando specifiche zone della pelle, chiamata dallo Scienziato visionario “placche cutanee”, e seguendo una fitta rete di linee energetiche del corpo da lui scoperte e “mappate”, definite da lui stesso “le catene lineari del corpo e dello spirito”. Il Calligaris otteneva artificialmente tutti questi fenomeni parapsicologici che generalmente si conseguono con lunghi esercizi di tipo yoga.

Stimolando termicamente ed elettricamente determinate zone della pelle, riusciva a far trasmettere il pensiero e ricavare, a notevoli distanze, diagnosi di malattie e cure appropriate, con l’emissione di onde biomentali. Chiunque poteva diventare chiaroveggente, telepatico, rbdomante e guaritore per un certo tempo. Cessati gli stimoli delle placche cutanee, la persona che si sottoponeva all’esperimento poco alla volta perdeva i poteri psichici. Un libro di enorme interesse ed utilità per i seri studiosi dell’argomento.
