These books only get better. I have no doubt you're as great a ...! 5/5 Stars!

These books only get better. **I have no doubt you're as great a doctor as you are a writer**, which means you're an awesome one. This guy's writing and story telling improves leaps and bounds with each new book and the amount of thought that has gone into the leveling and abilities blows my mind. Also the use of this day and age humor mixed in the medieval environment makes me laugh and the one liners are great. Keep it up. - Kindle Customer

This is the best of the series thus far! 5/5 Stars!

Really really **top notch book**. The story kept me from putting the damned book down. The payoffs were fantastic. The overwhelming nature of everything that happened and what you can see coming affected me just as much as they did the main character. - Aaron Eggert

Great Read to Escape to! 5/5 Stars!

This was a **super fast paced action packed story** that has you imagining your living in this world. I walk around in life doing my "todo" list and I mentally hear *TRING Congratulations!* -MikeG2u

LitRPG King! 5/5 Stars!

I've been a happy Chaos Seed since book one and this author's writing keeps getting better and better! It's early but.....book four please! - CChris

Would read again, and again, and again..... 5/5 Stars!

Once again, **Aleron Kong has brought The Land to life**, I thoroughly enjoyed the first two books and book three was just as good. I only wished it had another hundred thousand pages so I didn't have to stop reading it. - Daniel J Schinhofen

Can't put it down. 10 stars!

These are the BEST books. If you've never read one, give it a try. I swear, it's like a great blast for your brain! - Haggielady
